- **Courses in bold print have prerequisites which must also be met.**
- All courses must be completed with a grade of "C" or higher in order to transfer.
- The course evaluation as listed in the [Course Equivalency Guide \(CEG\)](#) is valid for the academic year in which the student satisfactorily completes the course.
- A course evaluation may be subject to changes in subsequent issues of the [Course Equivalency Guide \(CEG\)](#) due to changes in the university or community college curriculum. Thus, prior to registering for any community college course, students must always check the CEG to identify the current equivalency of the courses they are planning to take.
- [Key to ASU General Studies Credit Abbreviations](#)
- Completion of the ATP provides exemption from ASU admission requirements for students who complete the degree with a minimum 2.0 (4.0=A) for Arizona residents and a minimum 2.5 for non-residents. The ATP degree *does not* assure admission to any specific program at ASU
- ASU course **HUD 201 must be completed prior to beginning the professional program at ASU.** HUD 201 is offered only in the Spring semester. There is currently no MCCCD equivalent. Students are advised to enroll in ASU HUD 201 during the Spring of their freshman or sophomore year to avoid a delay in program completion.
