--------------	-------------------	-------------------------------------

Program Notes:

1. Courses in bold print have prerequisites which must also be met. Course prerequisites may be transferable and could count as elective credits.
2. All courses must be completed with a grade of "C" or higher in order to transfer.
3. The course evaluation as listed in the course equivalency guide (CEG) is valid for the academic year in which the student satisfactorily completes the course.
4. A course evaluation may be subject to changes in subsequent issues of the CEG due to changes in the university or community college curriculum. Thus, prior to registering for any community college course, students must always check the CEG to identify the current equivalency of the courses they are planning to take.
