- **Courses in bold print have prerequisites which must also be met.**
- All courses must be completed with a grade of "C" or higher in order to transfer.
- The course evaluation as listed in the [Course Equivalency Guide \(CEG\)](#) is valid for the academic year in which the student satisfactorily completes the course.
- A course evaluation may be subject to changes in subsequent issues of the [Course Equivalency Guide \(CEG\)](#) due to changes in the university or community college curriculum. Thus, prior to registering for any community college course, students must always check the CEG to identify the current equivalency of the courses they are planning to take.

- Completion of the ATP provides exemption from ASU admission requirements for students who complete the degree with a minimum 2.0 (4.0=A) for Arizona residents and a minimum 2.5 for non-residents. The ATP degree *does not* guarantee admission to any specific major at ASU. Students should always verify the program specific criteria needed for enrollment in their desired major.

## ATP NOTES

---

<sup>1</sup> BIO160 will be accepted in lieu of ASU BIO201 for ATP students provided the course satisfies the SG requirement according to the CEG (Course Equivalency Guide) in effect at the time the course is taken.

<sup>2</sup> Applicants for the social work major must have a minimum of 240 hours of work or volunteer experience in a social work related setting. SWU 291 includes a component of 40 volunteer hours, which may be applied to the 240 hour requirement.

<sup>3</sup> Transferable as lower division only. Students must still meet the 45 hour requirement for upper division hours.

<sup>4</sup> Students are encouraged to select an [HU] course that concurrently satisfies the [G] requirement if [G] is not met by a Non-English Language.

<sup>5</sup> This requirement may be satisfied by certified proficiency in any language, other than English, at the fourth semester level. The School of Social Work strongly encourages students to consider Spanish or a Tribal language. Completion of a course that transfers to ASU as equivalent to SHS 202 American Sign language IV will fulfill the language requirement but does not carry the [G] general studies designation. Students will need to select an alternative course to fulfill the [G] requirement.
